NOBODY IS PROMISED TOMORROW

You can know for sure.

More than 150,000 people die every day, and none of them were promised today. The Bible says each of us will die once, and then face God. If he judged you by the Ten Commandments, would you be innocent or guilty?

You don't have to hope for the best. Jesus died in your place and rose again, so that anyone who turns from their sin and trusts him is forgiven.

> Whoever will call on the name of the Lord will be saved.
